These genius just cost the city the greater of \$2 billion dollars... all i asked was an estoppel and to BAR all of their counselors in July of 2021. They wont even claim ownership as counselors to this pathetic family.

—That's a \$2 no contest. Bar for aba KYC failure, annexed their vacancies and linear growth YoY just like madoff. PS.. the lipstick building is Madoff's former HQ, he should have hired Shari.

I attached the receipt for you as well Miss Hochul, she couldnt handle it so she co-annexed with the wilson & Dicker folks at 150 east 42nd street, 10017. NO libel suits, I was hoping for another letter....

Anyways, Imade a poster of all their profiles.. the ex-perps of Zucker, even gave them a waiver which they wouldnt sign earlier to release them free and clear, provided they return the videos back to me.
