Any videos out there ?

without consent also??

Yep... now look at this genius. Unlawful occupation 111, rear building.

117, block 803 lot 11. 22 Units occupancy with no Certificate.
10,200 sq ft taxes registered for 15 years Laurie.

TY.

sorry but it's not my fault. she's crazy.

P.S. Where are the movies you all made and distributed over there.

The longer you wait, the worse it gets, just like the duration of the note - has a shelf life, and there are premiums collected, below the header... premiums paid to STATE FARM.

An unregistered security... or a private loan secured by premium payments to State Farm? Under 25MM I actually have to check that one, for good measure.

— Asset backed Loan, guaranteed by unlawful rents, and 6000 leases as purported by the Manhattan Skyline Management Corp.?

I don't think so... not legally.

Loan 50074.

B.14 EDGAR: failure to report YoY.
- no legal action?

70 units that are NOT legal rental units, documented in the NY SUPREME COURT IN 2020 are units in a building registered as cooperatives.. 1 or 4.

Not exempt under BRACKET 2 for taxes... Not a C4 exemption either, I hung chandeliers in the ceiling remember— those beams, had stamps on them from earlier, when it was built.

Other questionable properties
— they need help.

lot 11 [1 BUILDING]

— What happened with VTB... in 2014...
is that why you go to STATE FARM, there's 900 banks in Manhattan, I noticed one STATE FARM LLOYDS in TEXAS headquartered at

61701.

- this entity, is addressed dept E-8, HQ, to the investment department in the latter portion.

LET US REMEMBER...

– that’s why I left it to the professionals in TEXAS.

10 years of an overlooked BUILDING... I don’t care how many attorneys you have.

You want the back chopper by the foot, but guess what, legally – it’s the unit – which is also OVER THE FAR... no idea how they deal with that.

You can’t parking lot a landmarked building that easily. Not after you stole from the city, state, and the Feds... you been saving for a conversion?

- With a mortgage... who put these people in charge. They needed professional help, seriously. At least have no mortgage, bc if it’s by the unit,

thats `700K / unit * 72 units ... avg weighted price...
– for a 6MM Bridge?

*** you’re opinion definitely matters –all of you.

Gotta go...
